

Dear Community Business Owner,

I am writing on behalf of Coram Deo Academy (CDA) to invite your support for our eighth annual **Cor Leonis Gala** on **March 28, 2026**, at the Renaissance Hotel in Addison, Texas. *Cor Leonis*—Latin for “Heart of the Lion”—reflects CDA’s classical education mission. This year’s event is presented by GDS Wealth Management and features special guest **Tara-Leigh Cobble**, host of *The Bible Recap*, the #1 podcast across all categories.

With your strong reputation as a community-minded business, your participation would be a tremendous asset. Your contribution directly supports CDA’s mission and provides valuable visibility for your business to more than **8,000 constituents** through our online auction platform, gala recognition, digital and social media promotion, and email outreach to families, alumni, grandparents, and friends.

Last year, more than **600 guests** attended our black-tie gala, with thousands more participating online. This year, we aim to raise \$600,000+ for CDA’s Annual Fund, which supports academics, athletics, fine arts, and every aspect of the student experience across our three DFW campuses. All 1,900 students benefit from this event—and from your generosity.

Would you consider donating an item or service valued at **\$100 or more**? Our volunteers are happy to pick up contributions by **March 1, 2026**.

Founded in 1999, CDA is an accredited, interdenominational Christian classical school committed to developing ethical servant leaders and wise thinkers prepared to shape culture for the glory of God—a mission that feels more vital than ever.
